It's great when a sire is proven to excel for one or more traits, but it's even better when a sire is proven to offer improvement in a wide variety of traits! TAHOE is one of those bulls. From Calving Ease to carcass and everything in between, TAHOE is truly a handyman with an amazing skill set. Whether you're trying to make better females, better bulls, or maybe both, there's not much he can't do. Use him to make your entire calf crop better!
