If you're in it for the long haul and you haven't used PLAYBOOK yet, now is the time!

PLAYBOOK is one of our highest for \$Maternal. The good cow features that he is known for are real. Massive-middled, good-uddered and right-sized, PLAYBOOK daughters are features whenever they appear at auction and are in high demand! His CED, Docility, HP and CEM are just bonuses.

He is one of the very best bulls in the breed today to make females you'll like – for a long time.
